

The London Clinic has launched an International Office to provide overseas patients with a smooth and efficient process for paying for treatment. The International Office can help with:

- financial advice for patients or sponsors
- correct financial documentation
- letters of guarantee

The office can provide patients with a free telephone service or internet access to contact their embassy or sponsor.

The International Office is situated on the Ground Floor at 149 Harley Street.

Opening hours: 09:00 to 17:00, Monday to Friday (by appointment only).

Notes for our staff and consultants

- The International Office does not handle cash or payments directly
- Continue to follow the current processes for admissions and letters of guarantee. If you require further assistance, please contact the International Office
- Please do not send more than two patients at any one time as space in the office is limited. A waiting room is available on the Ground Floor at 149 Harley Street
- Arabic interpreters are available during office hours
- Clinic and financial information is also available in Arabic
